

# The Whale Museum's Summer Lecture Series

Elephant Seals: Divers of the Deep

Dr. Joe Gaydos

at The Whale Museum | 7pm | July 1st

**Dr. Gaydos is a Wildlife Veterinarian and Regional Director of the SeaDoc Society. His veterinary degree is from the University of Pennsylvania and his PhD is from the University of Georgia. He has studied health and disease in wildlife all over the world. Dr. Gaydos lives on Orcas Island and loves to spend time with his family camping, kayaking, hiking, and watching wildlife.**

The Whale Museum's Lecture Series is dedicated to providing our local community and visiting public with knowledge and wonder of the natural world. The lectures are given by local or visiting experts in their field. Join us as they share their recent research projects, stories, and experiences.

Each lecture is free but donations are greatly appreciated. The proceeds from your generous donations are crucial to our research and education efforts.

For more information, call **378-4710**, ext. **23** or visit our web site, **[www.whalemuseum.org](http://www.whalemuseum.org)**.
