

## Give whales room to breathe (It's the law)

### *In San Juan County's waters:*

- Boaters and kayakers must not approach within 100 yards of killer whales.
- Move out of the way if whales approach your position.
- Disengage the transmission immediately if whales unexpectedly surface within 100 yards of your boat.
- Operate at a slow, safe speed when within 400 yards of any killer whale.
- Do not feed killer whales.
